**Directions:**

With any questions about directions, call Barbara Green at 845-225-4373.

From New York City, take the Henry Hudson and Sawmill Parkway to the Taconic Parkway. Take the Exit for Carmel/301. Drive East on Route 301. When you see the Buddha on your left (Chuang Yen Monastery), you have 2 more miles to go. After a very long bend to the right, (as Farmers Mills Road turns off to the left) you will pass a cemetery on the right. 2377 is the next driveway on the right.

Coming from Route 84, follow Route 312 and then Route 6 to Carmel. When the road comes to a "T", turn Right at the light (Route 6 will turn left). You are now on Route 52.

At the very next light, turn left onto Route 301. Stay on 301 for more than 5 miles - you will finally pass a little red deli on your left, then - in a couple of miles - a firehouse on your right. After Tomkins Road on your left, 2377 will be on your left - the 3 mailboxes as you come down a bit of a hill.
